

## **NOTICE: CLOSURE OF ZEERUST AND LEBOWAKGOMO TEBA OFFICES**

Please be advised that as of 28 February 2023, the TEBA offices in Zeerust and Lebowakgomo will no longer be available for Tshiamiso Trust claim lodgements.

Due to the low number of lodgements at these centres over the past year, TEBA, our service provider, will close operations in these offices.

All claimants who already have claims in the pipeline have been informed of the closure and advised of the nearest TEBA office where their claim will be referred to, should the administration and medical teams be unable to finalize their claims before the closure. No new claims can be accepted at Zeerust or Lebowakgomo offices. New claimants are encouraged to lodge at the Mahikeng or Burgerfort offices, whichever is closest to them.
