

Tshiamiso
TRUST

Compensation for silicosis and TB

WHISTLE BLOWING POLICY

The Tshiamiso Trust is committed to high legal, ethical, and moral standards, including the highest standards of openness, honesty and accountability.

Our Whistleblowing policy sets guidelines for the reporting of fraud, corruption and other irregularities.

If you are concerned about any issue.

Share the information in good faith
Share the details of the incident
You can choose to report an incident anonymously or to ask that your identity is kept secret
