

NOTICE: CLOSURE OF TEBA LODGEMENTS OFFICES

Please be advised that as of **30 November 2024**, the following TEBA lodgement offices will no longer be available for Tshiamiso Trust claim lodgements.

Due to the low number of lodgements at these centres over the past year, TEBA, our service provider, will close operations in these offices.

- Kuruman (SA)
- Giyani (SA)
- Botshabelo (SA)
- Queenstown (SA)
- Butha-Buthe (Lesotho)
- Teyateyaneng (Lesotho)

All claimants who already have claims in the pipeline have been informed of the closure and advised of the nearest TEBA office where their claim will be referred to, if the administration and medical teams are unable to finalize their claims before the closure. We urge that all potential claimants, who have not lodged their claims, kindly do so with Vryburg, Buckbuckridge, Sterkspruit, Ngcobo, Leribe or Maseru offices, whichever that is closest to you. If you have changed your contact number, please contact the Trust to update the new details.
