

NOTICE REGARDING BENEFIT MEDICAL EXAMINATIONS IN WELKOM

Please be advised that the Trust no longer has a fixed medical service provider in Welkom to conduct Benefit Medical Examinations (BME). To minimize disruptions for claimants awaiting BMEs, we have arranged for a mobile unit to visit the area on a rotational schedule, starting from February 2025. This interim solution will ensure continuity of service while we actively seek a new fixed provider.

If your contact details have changed since lodging your claim, please update your phone number by contacting our call centre **080 1000 240**. This will ensure that we can reach you to arrange your BME appointment.

We sincerely apologize for any inconvenience this may have caused and appreciate your understanding.
